

THE FREDONIA FARM FESTIVAL

AUGUST 20-22, 2010

Dear Neighbor;

When we think about the events that really show the spirit and character of Fredonia, The Fredonia Farm Festival comes readily to mind. Honoring our rural farm history with local produce, and offering a market place for the arts and crafts, animal shows, music in the park, fireman's hose races and of course the parade.... These are among the things that bring our community together.

This year will be the 41st year that the Fredonia Farm Festival will rely on the generosity of the local merchants, philanthropies and individuals for support to keep it the wonderful small town tradition it has been and to make it even better! We are asking that you consider a contribution in the amount of:

Sincerely,

The Fredonia Farm Festival Committee
